During the service Sallie Brewer will be recognized as the oldest active member. Persons who were youth age in the late 60's and early 70's will have a reunion during the noon hour. They will have sandwiches and things they ate for supper when they were youth. Sam Nelson and the Waters are working on this reunion.

Saturday, April 26th—The dedication of the historical marker with county officials and historical committee members will take place.

Sunday, April 27th—The day will begin with coffee, juice, and donuts at 9:30. The service at 10:00 will be a reflection of our history. Twelve to fifteen personal snippets will be shared in lieu of a sermon. Colleen Maley Sheinberg will be the guest organist. Julie McIver will sing "How Beautiful." Immediately following the service the congregational dedication of the historical marker will take place. Then lunch will be served. It is requested that those who plan to stay for lunch contact the church office by April 20th so that enough food will be ready. There will be time for visiting and looking at pictures. At 2:30 pm the Birthday Cake will be served.

Please, jot down your favorite memories from years past. Some of these memories will be used during the service on the 27th. If enough stories are turned in, we will put together a "Memory Book."
